LETTERS OF RECOMMENDATION

To Whom it May Concern

I have known Balsamo Gabriele Ernesto for the 4weeks while he has worked as an intern in the Technical department. I have been consistently impressed by both his attitude towards his work and his performance on the job. His interpersonal and communication skills have allowed him to develop productive working relationships with our staff. he has the listening skills necessary to extract information needed to learn and perform with minimal waste of time.

He has been involved with a variety of tasks at my retail business. His experiences have included working on installation of electrical wiring, plugs, sensors, lighting, skills in using tools, soldering and the use of testing instruments.

Balsamo Gabriele Ernesto is an intelligent, capable, and personable young man. He is always quick on his feet, with sensible reactions in all the circumstances I've seen him in. I feel confident in saying that he is capable of handling any situation with thoughtfulness and maturity.

Balsamo Gabriele Ernesto can work independently and is able to follow through to ensure that the job gets done. He is flexible and willing to work on any project that is assigned to him. Balsamo Gabriele Ernesto was quick to volunteer to assist in other areas of company operations, as well.

He has the analytical skills to diagnose problems and devise viable solutions. his ability to remain unflustered during frenzied periods proves his ability to work well under pressure.

I recommend him without reservation. Please let me know if you need further information.
