## PERSONAL SKILLS

Mother tongue(s)

Italian

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B1	B1	B1	B1	B1

Communication skills Good listening skills acquired during the work experience at Euromecc SRL

Organisational / managerial skills Good organizational and management skills acquired during the internship at Euromecc

Job-related skills During the internship at Euromecc I was able to assemble a concrete mixing plant

Other skills I'm attending the last school year at the I.T. Archimedes of Catania. After graduating from high school, I would also like to enter a part of the world of work. After obtaining the diploma, he will take the name of an energy, mechanical and mechatronic technical expert. My theoretical and practical knowledge are: design and production of air conditioning systems, management and installation of photovoltaic systems, industrial automation, knowledge of endothermic engines, knowledge of the use of parallel and cnc lathe, use of programs for the programming of actuators at the PLC. Thanks for the work experience in the company "Euromecc", thanks to this work experience I will get the Europass. From 16/08/2017 to 31/07/2017 I obtained the internship to improve the level and the knowledge related to the English language at THE SUMMER SCHOOL OF THE HOUSE OF BROOKE site in Market Harborough obtaining the level GESE 6 grade. During the two weeks of internship she took part in an afternoon course, British culture, during which the production of a film was conceived in which the writer together with a group of young people followed the various techniques for the realization of the film. During the fifth school year, I am completing an afternoon course to obtain the ECDL license (European computer license)

Driving licence B
