To whom it may concern

This reference letter is provided at the request of Mr Salvatore Alfio Sambataro. Mr Sambataro participated in a work placement organised by AM Language School between the 26<sup>th</sup> of June and the 19<sup>th</sup> of July 2019. The placement was carried out at Primary Colours, at their offices in 1, Triq Guzeppi Decelis, Birgu, Malta under the supervision of the manager, Mr Ryan Farrugia and under the guidance of the undersigned.

Mr Sambataro was tasked with the uploading of various products onto the e-commerce site – [petshopmalta.com](http://petshopmalta.com) which is operated by Primary Colours. This work involved a certain amount of research into each individual product to make sure that the correct image is uploaded and activated. Mr Sambataro had to make sure that each product uploaded included the correct information and description and that the price indicated was the correct consumer price.

After every batch of products Mr Sambataro made a test run on the live site to make sure all aspects of the upload had been taken care of.

I am informed by his supervisor that during his stay with Primary Colours, Mr Sambataro was punctual in his arrival at work, was always well groomed and carried out his tasks diligently and attentively. He quickly became part of our team, and was also well liked by his colleagues.

We would not hesitate to receive him again should the situation arise.
