To whom it may concern,

I believe Agata Sara Messina is a hard-working student with lots of potential. The one month that she spent here, she helped me tremendously. Providing me with photo edits for the sale and lots of other advertising material.

Agata Sara was very kind, diligent and always shared a positive mood. She always gives her best for every task, even a simple one. Her work was very high-standard and done on time.

I am proud to say that Agata Sara is an ideal candidate for any work that may come upon her. The most trustworthy and honest person I know.

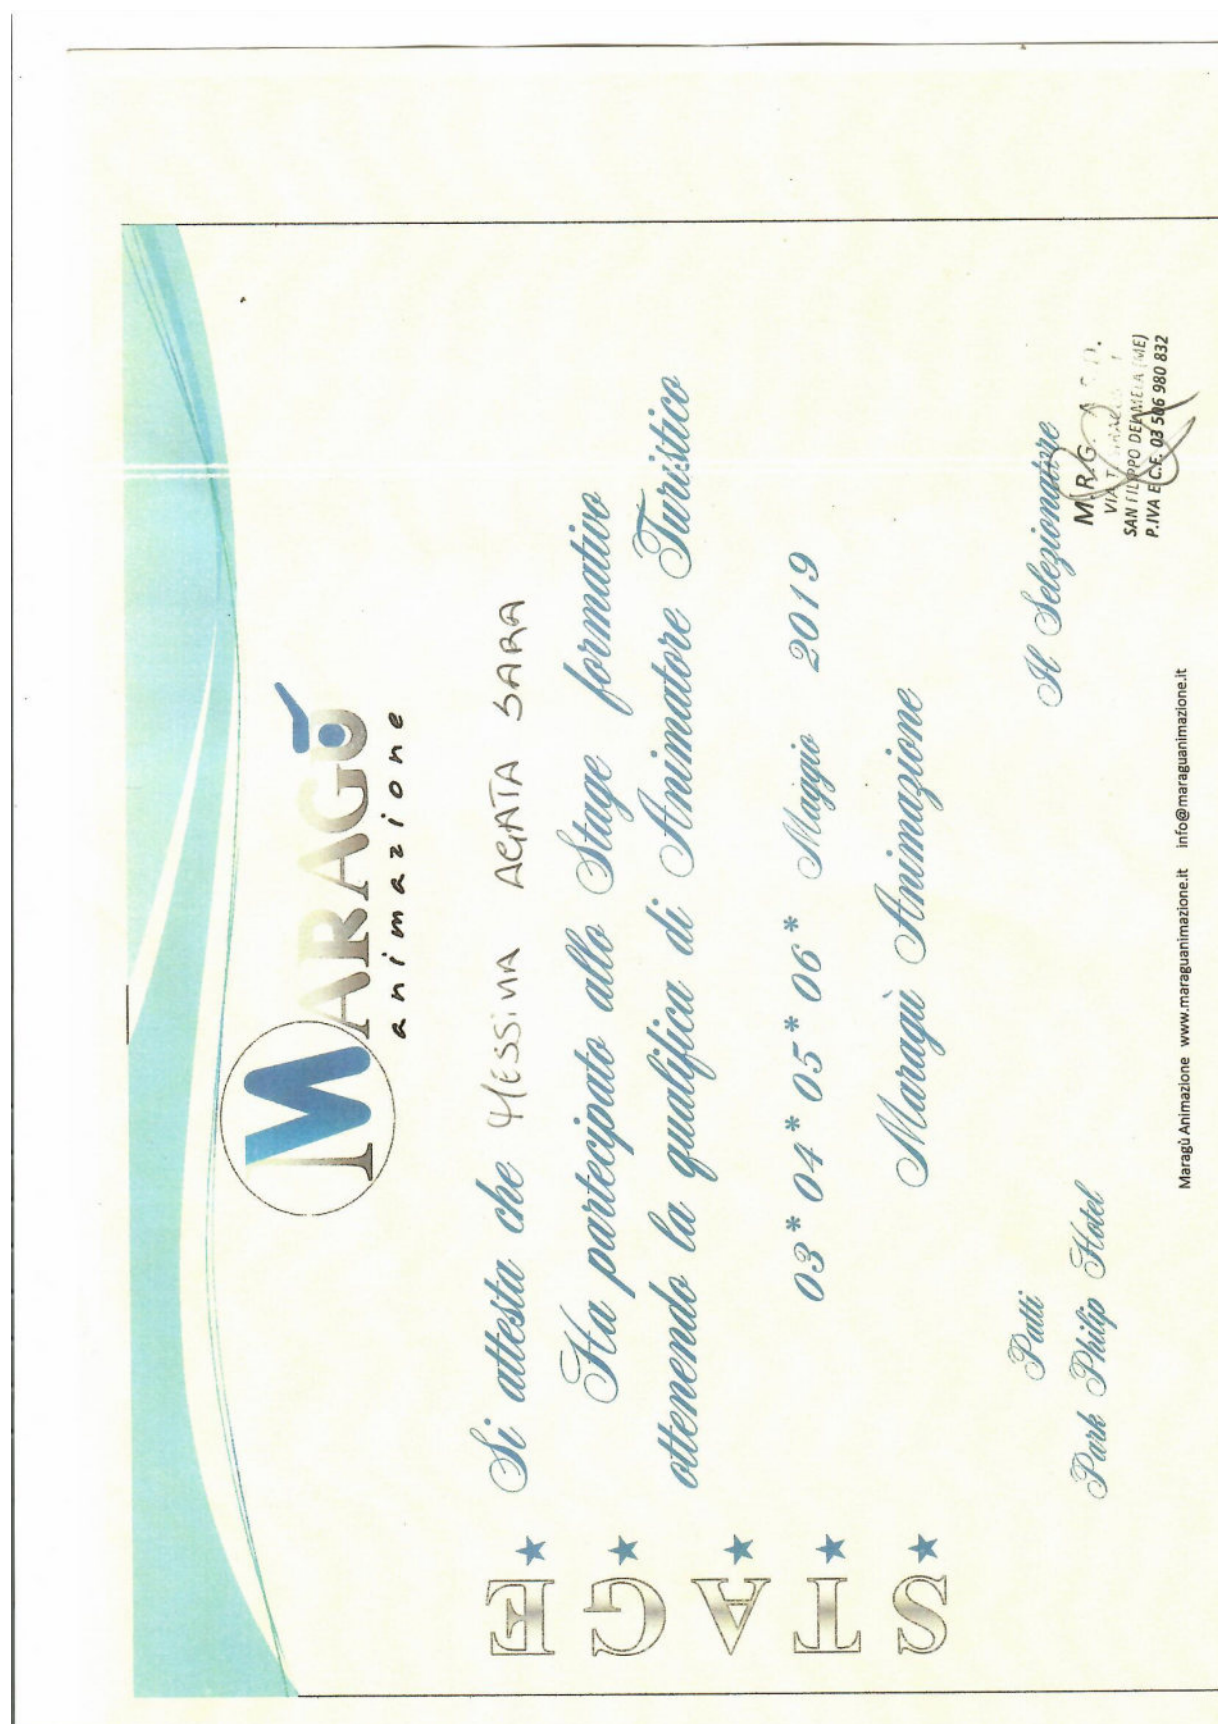

Yours truly,

Danijela Vasovic
