A multimedia path (duration 25 hours) focused on life skills, that is the set of social, cognitive, personal skills that allow us to positively face the requests and challenges that daily life reserves for us, and business skills, such as leadership and management, functional to their entry into the professional world.

GENERAZIONI CONNESSE

Project (duration 6 hours) co-funded by the European Commission that promotes strategies aimed at making the internet a safer place for younger users by promoting a positive and conscious use.

HOBBIES AND INTERESTS

Calisthenics, motorcycling, videogames, Scientific readings, travels.

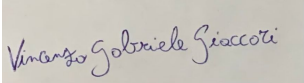

COMMUNICATION AND INTERPERSONAL SKILLS

About myself

I am very keen to learn new skills, I consider myself a reliable person. I enjoy working in a team to reach a goal. I am very flexible and as I have already earned different certifications not included in my high school study plan. I am very easy going and, I love getting familiar with new cultures. I am able to work under pressure, using a well defined planning in order to manage the time better.

I hereby authorize the use of my personal data in accordance to the GDPR 679/16 - "European regulation on the protection of personal data".

Catania, 27/05/2022

Vincenzo Gabriele
Giaccari
