Hobbies and interests

● **my Hobby** my favorite hobbies are football, dance and music; I like football above all when there is competitiveness and teamwork and I also enjoy it a lot. Dance for me is life, I have been dancing various styles (from Latin American to Caribbean) for almost 10 years at the Todaro school.

Since I have recently practiced air-soft (airsoft), the basic rules of this sport are mainly: honesty, teamwork, communication, etc.

As you can see, I really like working in a team, being very helpful especially for my colleagues
